

SAMPLE CANDIDATE

DUMP TRUCK OPERATOR

SYNTHETIC SAMPLE

Perth, WA 0400 000 000 sample@fifoready.example

PROFESSIONAL SUMMARY

Safety-focused remote-site candidate targeting dump truck operator work in the Pilbara. Brings practical exposure to pre-start checks, radio communication, haul-road awareness, roster discipline, and crew-based site routines. Comfortable working in remote conditions, following supervisor direction, and keeping claims conservative and verifiable.

WORK HISTORY

Labourer / Site Support

FEB 2023 - CURRENT

Remote Civil & Logistics Contractor · Pilbara, WA · Remote/FIFO

- Worked 2/1 roster supporting civil and logistics crews on remote project sites.
- Completed daily pre-start checks and followed Take 5 / JHA processes before task work.
- Used UHF radio communication, maintained clean work areas, and supported safe movement around plant and light vehicles.

Yard Hand / Driver Assistant

AUG 2021 - JAN 2023

Transport Yard Operations · Perth, WA

- Assisted with loading checks, vehicle movements, delivery paperwork, and shift handovers.
- Built familiarity with heavy vehicle safety, hazard reporting, and fatigue-aware driving routines.
- Communicated with supervisors and drivers to keep yard movements organised and safe.
